IMDM290 Collaborative Studio I: Image + Time

IMDM290 is a concept-driven and team-based collaborative studio course in which you will work together in groups to create intellectually engaging and technically innovative works of immersive media. Bridging the technical and creative tracks of the major, this course aims to expose you to the process of working collaboratively on team-based projects in a manner that reflects contemporary practices in the fields of art, design, and the creative industries. Incorporating the concepts of image and time, teams of students from both tracks will combine complementary skill sets to produce creative works.

**Prerequisites:** minimum of C- in ARTT 255 and IMDM227
