Arrival Instructions

Keys and Cards

- **Upon arrival:** you will meet with the QuICS Coordinator in Room 3103 in the Computer and Space Science Building on the 3rd floor (shown on previous campus map)
- You will receive keys to your office, as well as a keycard
  - This will grant after-hours access to the Computer and Space Science Building and the QuICS Suite 3100
- **Upon departure:** you will return the key and keycard to the QuICS Coordinator (this will be verified by your signature on the record sheets)
- If you forget to return the key and keycard, please mail them to the following address:
  
  **QuICS Coordinator**
  
  3103 Computer and Space Sciences Building 224
  
  University of Maryland
  
  College Park, MD 20742-2420

Guest Workstation and Internet

- A visitor workstation is available if needed
  - Username and password will be provided by the coordinator
  - **Please be aware:** files cannot be saved from one login to the next!
    - If you wish to save files, please use a memory stick!
- Access to the internet is through a connection to **UMD wifi** or **EDUROAM**.
- The coordinator will provide a username and password for access, if needed
- Wifi SSID to connect to for a provided username: **umd OR umd-secure**

Printing

- In order to print, you must first be connected to the internet
- After that, connect to the blue Ethernet cable located at your desk
- You must add the printer. To do so:
  - For PC:
    - Go to start, click and type in "\openprint.pc.umiacs.umd.edu" in the search box – click Enter
    - A list of printer queues will appear. Select **cps224-3100h** by double clicking on the queue
    - Once the printer driver installation is complete, you may start using the printer
  - For Mac:
    - Go to **System Preferences**
    - Select **Printers & Scanners**
    - Select “+” to add printer
    - Select IP at the top
    - Enter the following information:
      - Address: print.umiacs.umd.edu
      - Protocol: Internet Printing Protocol – IPP
      - Queue: printers/cps224-3100h
      - Name: cps224-3100h
      - Location: QuICS
      - Use: Generic PostScript Printer
